AGED CARE & HEALTH
SECTOR

About The Company

We specialise in delivering reliable, high-quality property services tailored to the unique needs of the Aged Care and Health industry. We understand the importance of safety, hygiene, minimal disruption, and regulatory compliance in care environments.

Whether it's scheduled maintenance, emergency repairs, or major upgrades, our skilled team ensures every job supports a clean, safe, and comfortable space for residents, staff, and patients alike — with professionalism, compassion, and care at the core of every service.

Our Values

At APMG Services, we prioritise respect, reliability, and responsibility. In aged care, we work with empathy to ensure comfort, dignity, and safety. In hospitality, we deliver fast, discreet, and high quality outcomes that support guest experience and brand standards all with minimal disruption.

Compassion Driven Service

We understand the emotional and physical needs within aged care and health environments, delivering every service with empathy, patience, and respect for residents, patients, and staff.

Safety & Compliance First

We uphold the highest standards in health and safety, ensuring our work complies with all regulations while minimising risk and disruption in sensitive care environments.

Reliability & Responsiveness

We know how critical time and trust are in care settings. Our team is dependable, quick to act, and committed to maintaining a seamless and supportive facility for those who need it most..

Our Approach

Development Identification

We work closely with facility managers and care teams to understand routines, priorities, and resident needs — ensuring our work meets safety standards, minimises disruption, and supports a calm, respectful living environment.

Project Management

We provide hands-on project management from start to finish — maintaining clear communication, managing timelines, and delivering works safely, smoothly, and with minimal disruption to residents and staff.

Planning and Quoting

Our planning and quoting process is clear, collaborative, and tailored to each aged care facility — ensuring accurate scopes, realistic timelines, and minimal disruption to daily routines and resident care.

Quality Assurance & Handover

Every project is thoroughly inspected upon completion to ensure it meets our quality standards and your expectations — with clear documentation, clean finishes, and full handover support to facility staff.

Property Make Safe

Sustainability is embedded in everything we do. From using low-impact materials and eco-friendly paints to responsible waste management and energy-conscious practices, we're committed to delivering high-quality work while reducing our environmental footprint. We actively support long-term sustainability goals across the properties we maintain — especially in sensitive environments like aged care facilities — ensuring a cleaner, safer future for residents, staff, and the wider community.

INTERNAL FIT-OUTS & RESIDENTIAL SPACES

High-quality internal fit-out and reinstatement works for aged care and retirement living facilities. We understand the importance of durability, accessibility, and minimal disruption when working in resident-occupied spaces. From safety upgrades to modernisation projects, our team works with care and attention to every detail.

Our aged care interior services include:

- Wall-mounted noticeboard and signage installations
- Joinery repairs and replacements (bedrooms, nurse stations, dining areas)
- Non-slip flooring upgrades in wet areas and resident rooms
- Internal repainting and touch-ups in high-traffic corridors
- Tap, basin, and sink maintenance in kitchenettes and activity rooms
- Laundry and utility joinery repairs
- Reinstatement works following room vacates or upgrades
- Acoustic panel installations in communal areas and dining spaces
- Lighting upgrades for visibility and energy efficiency
