EDUCATIONAL
SECTOR

About The Company

We specialise in delivering high-quality property maintenance solutions with a strong focus on the education and childcare sectors. From kindergartens and schools to early learning centres and campuses, our team understands the unique demands of creating safe, clean and functional spaces where children and educators can thrive.

With expertise across painting, carpentry, flooring, electrical, plumbing, gardening, property makesafe and handyman services, we are a trusted partner for facilities requiring reliability, compliance and attention to detail. Whether it's a full renovation, essential maintenance or safety upgrades — we're here to help learning environments stay operational, welcoming and up to standard.

Our Values

At APMG Services, we believe that every child deserves to learn, grow and thrive in a space that's safe, clean, and well-maintained. Our work in the education sector is driven by values that reflect this commitment:

Experience with Educational Environments

We understand the specific needs of childcare centres, kindergartens, and schools — from safety compliance to minimising disruption during learning hours. Our team is trained to work around sensitive schedules and high-risk environments with care and precision.

Flexible Scheduling

We offer flexible project timelines including evenings, weekends and term breaks — minimising classroom disruption and keeping learning uninterrupted.

Children Safe Work Standards

We adhere to strict OH&S and child-safe standards. All our staff are vetted and trained in working within child-centric spaces, ensuring peace of mind for management and parents alike.

Our Approach

Development Identification

We work closely with centre managers and school leaders to understand schedules, priorities and goals ensuring our scope meets safety standards, minimises disruption and supports a positive learning environment.

Planning and Quoting

Our planning and quoting process is clear, collaborative, and tailored to each education site — ensuring accurate scopes, realistic timelines and minimal disruption to daily operations.

Project Management

We provide hands-on project management from start to finish — maintaining clear communication, managing timelines and ensuring work is delivered safely and smoothly with minimal disruption.

Quality Assurance & Handover

Every project is thoroughly inspected upon completion to ensure it meets our quality standards and your expectations — with clear documentation, clean finishes and full handover support.
